Imported Mohair Fabrics

We believe our display of English Mohair is the largest to be seen in America.
New blood—new artistic inspiration—is at work among the spinners at Bradford.
Their products were never dull—but they lacked novelty. Generations of the same families spun the same styles. All that has been changed. Mohair is out of the rut.
They are now a-sparkle with beauty. And every new loom-trick and dye loveliness is here.
Look at the \$1.39 assortment of Mohairs. Shadow-stripes, Plain and Diagonal effects in exquisite gray, brown, drab and blue tones. Mohairs in pastel colors are singularly attractive. Self-tinted tiny cord stripes on sky or rose grounds; dream grounds cut by wide or narrow stripes in contrasting colors—or by throwup self-colored bias silk stripes; new charms come to Shepherd checks when they are the motif for Mohair—and there are delicate overprints in soft tan, stone and gray—98¢ and \$1.19. You'll enjoy looking at them. Two specials:
Mohair Sicilian, brilliantly finished; brown, gray, navy, tan, garnet, myrtle, cream and black; 50 inches wide, value 75¢; special at 49¢.
Rich Black Shadow-striped Mohair, 44 inches wide, value \$1.25; special at 88¢.
